In order to achieve the mission, LCMD is determined to:

- Provide students of high academic potential with a medical education of exceptional quality making and discovery.
- them skillful and compassionate

professionals to serve the under-served.

- Groom students for leadership in medical education and healthcare.

- Ameliorate the health communities of Pakistan through exceptional care, enhanced by innovation

- Foster culture diversity among faculty, staff and students so as to fortify a respectful and ethical academic environment.

- Nurture the students after they enter professional career, to maintain their good professional practice by engaging themselves in life long learning.

Introduction

Now in the 27th year of its establishment a center of excellence in dental and medical education.

Born on the map of Karachi, Pakistan and duly recognized by PMDC, it is one of the very few initial colleges private or public sector that were established in the center of the city

devoted to teaching of dentistry and medicine and ultimately promoting health care services in the community. It is now being nurtured by Jinnah Sindh Medical University as per ordinance 2012 of Pakistan Medical & Dental Council.

Over the years it has earned many stars to its collar and this is highlighted by the fact that name of this institute has been included in the WHO directory of schools of Medicine and Dentistry.

Message Principal

Liaquat College of Medicine and Dentistry with strict adherence to its motto 'Excellence in Education' has successfully completed Twenty seven years of its academic life. This college is recognized by Pakistan Medical and Dental council, Pakistan and is affiliated with Jinnah Sindh Medical University, Karachi.

Message Vice Principal

I pray to ALLAH Almighty that this Institute continues to produce quality health care professionals who graduate to become life long learners leaders in their respective fields.

Dental Hospital

In 2001, the Dental College came into inception & the foundation for a dental hospital was laid. Since then the dental hospital "Qamar Dental Block" has grown in three dimensions infrastructure, equipment and expertise. Dental OPD is now Alhamdulillah a ground plus six storey hospital with state of the art equipment. Moreover the patients requiring surgeries related to dentistry and Head & Neck region are admitted through Dental OPD to female and male surgical wards.

Dental camps are organized every year on quarterly basis by dental hospital

management in order to facilitate early detection of oral diseases within the neighborhood community.

Moreover the college is not only providing Quality education to students of undergraduate and post graduate programs, but also the para medical staff by conducting courses for dental assistants and dental hygienists since 2003.

Our dental clinics offers multi-specialty practice bringing to the community a full spectrum of dental services and treatment procedures in the field of:

- Cosmetic Dentistry
- Conservatives dentistry and
- Endodontic procedures
- Periodontics
- Orthodontics
- OMFS / Implant dentistry
- Prosthodontics

Postgraduate MDS, FCPS, MCPS & (MS/MD University of Karachi) Programs

Liaquat College of Medicine & Dentistry offers 4-years structured fellowship program and 2-years membership program which follows guidelines provided by college of

Physician and surgeons Pakistan (CPSP) in different disciplines of Medicine & Dentistry.
