About Event

DentalInnovate, an exclusive event hosted by Liaquat College of Medicine and Dentistry and organized by Badar Expo Solution, is set to redefine the landscape of dentistry in Pakistan. This prestigious event aims to foster innovation, collaboration, and excellence within the dental community, offering an unparalleled platform for dental professionals, researchers, students, and industry leaders to showcase their expertise and engage in meaningful dialogue.

Prof. Dr. Navid Rashid Qureshi

Principal LCMD (COD)

CHEIF ORGANIZER

As Principal of Liaquat College of Medicine and Dentistry(COD), I am excited to welcome participants and guests to the upcoming DentalInnovvate event, hosted by our college and organized by Badar Expo Solution. This prestigious event promises to be a showcase of exceptional dental talent and innovation, drawing professionals from across Pakistan. It serves as a platform for advancing dental practices and fostering collaboration among the brightest minds in our field. I am confident that the interactions and insights gained here will lead to significant advancements in dental care, enhancing patient outcomes and professional development alike. We are proud to facilitate this gathering and eagerly anticipate its contributions to the dental community.

PURPOSE

The purpose of the Table Clinic presentations is to provide dental professionals with valuable insights into clinical or practice management topics relevant to their field. These presentations aim to deliver information in a simple, direct, and engaging manner, fostering learning and professional development. By inviting viewers to ask questions at the end of each presentation, the event encourages interaction and knowledge-sharing among participants. The selection of Table Clinic presentations is based on the provided synopsis, ensuring that each presentation meets the criteria for relevance, clarity, and educational value. Participants whose presentations qualify will be notified through mail or contact information provided, further fostering engagement and participation in the event.

GUIDELINES FOR TABLE CLINIC

GUIDELINES:

- One to four student presenters accompanied by one to two faculty members (optional) of their respective colleges are allowed for each table clinic.
- Student table clinics will be conducted on 21st May, 2024 from 01:30PM-04:00PM. You will be required to set your table clinic a day prior to the competition to avoid any inconveniences.
- Attendees will circulate throughout the space to view the table clinics, listen to oral presentations and interact with the student presenters. \$750
- Table clinics should present information in an interesting and educational way using display materials, handouts and an oral presentation. \$600
- Student presenters should remain with their table clinic for the entire session.
- Student presenters should be prepared to make an oral presentation not to exceed 5 minutes, answer questions and engage in discussion with the attendees. \$300
- Table clinics should not be left unattended. Table clinic materials must be removed promptly at the end of the session. \$200
- One 3 x 3 foot covered table will be provided for each table clinic. All display materials must be confined to the top of the table. Display materials may not be placed on floor, in aisles or affixed to walls.
- Professional attire is required. Casual attire is not acceptable.
- Trade names on products and or instruments must be covered. Drugs must be identified by their generic or chemical formula, rather than by commercial trade name. Advertising matter, commercial promotion, and solicitation of sales of any type are prohibited.
- The use of patients or live models for treatment or demonstration purposes is not permitted. The use of sound devices of any type is not permitted.
- A panel of judges will score your oral presentation, visual media and innovativity of your table clinic.
- Table clinic will be short listed on the basis of Synopsis if it meets our predetermined requirements

PRIZES :

TABLE CLINIC CATEGORY:

Grand Prize (1st Position): Unveil Your Innovation and Win PKR 100,000!

1st Runner Up: Display Excellence and win PKR 75,000!

PURPOSE

Conducting a scientific session with top dental surgeons from across Pakistan to cover precision dentistry and new innovations will provide a platform for sharing cutting-edge research, techniques, and best practices among peers, fostering professional growth and advancement in the field. The Attendees can earn continuing education credits by participating in lectures, and discussions, ensuring they stay updated on the latest advancements and techniques in dentistry. Engaging with leaders in precision dentistry will inspire attendees to enhance their skills, pursue further education, and optimize their general dental practice. This contributes to the growth and advancement of dentistry in Pakistan.

GUIDELINES FOR NEXT GEN. PRESENTATION:

GUIDELINES:

- Each presenter will be given 10 minutes to present.
- Presentation should not extend more than 15 slides
- Not more than 7 lines in a single slide
- Font size (Heading= 36, Text= 24)
- Font style= Arial
- Background= white, Text= Black
- Avoid using red font color
- Clear pictures/graphs/tables

CONTENT AND DESIGN:

- Focus on Key Points: Distill your paper's essence into concise slides. Aim for 5-7 bullet points with keywords per slide, not full sentences.
- Start with a Title Slide: Include your paper title, authors, affiliations, and maybe a relevant image.
- Structure your Slides logically:
 - Introduction (1-2 slides): Briefly introduce the research area and problem.
 - Research Question/Hypothesis (1 slide): Clearly state your research focus.
 - Methods (1-2 slides): Briefly explain your methodology (without excessive detail). Use flowcharts or diagrams if helpful.
 - Results (3-5 slides): Showcase your key findings with clear visuals like graphs, charts, and high-quality images.
 - Discussion (1-2 slides): Explain the meaning of your results, highlight important findings, and relate them back to the research question.
 - Conclusion (1 slide): Summarize the main takeaways and significance of your research.
- DELIVERY: Don't read the slides: Use them as prompts and talking points and Practice with your slides to ensure smooth transitions and time management.

ABOUT EVENT

The Health Care Expo, organized by Badar Expo Olution and hosted by Liaquat College of Medicine and Dentistry (LCMD), is thrilled to announce its inaugural Short Film and Reel Competition, slated for the 23rd of May, 2024, at the prestigious Karachi Expo Centre. Calling all dentists across Pakistan! This event aims to unite dental professionals from every corner of the country, inviting them to explore the captivating world of dentistry through the medium of cinema. Join us for an exciting celebration where creativity meets expertise, promising an enriching experience like never before. It's your chance to showcase your talent, connect with peers, and immerse yourself in the magic of storytelling. Don't miss this unique opportunity to be part of a groundbreaking event that celebrates the artistry and innovation within the dental community!

PURPOSE

The competition aims to provide a comprehensive platform for dental professionals, students, and enthusiasts to engage in meaningful dialogue, showcase their creative talents, and contribute to the promotion of ethical practices and oral health awareness. The vision of this event is to inspire and unite the dental community through the power of innovative cinematic storytelling. By showcasing captivating dental-themed short films and reels, we aim to celebrate the artistry, creativity, and importance of dentistry while fostering collaboration and innovation within the field.

WHO CAN PARTICIPATE :

Open to all dental professionals, including Dental students, Faculty members, Trainees, Residents, Clinicians, and Dental consultants: All welcome across Pakistan

1. Open to all dental professionals, including Dental students, Faculty members, Trainees, Residents, Clinicians, and Dental consultants: All welcome across Pakistan \$750

CATEGORIES FOR OUR DENTAL FILM FEST!

4. 1. Snapshots of Smiles: Short Reels (Up to 60 seconds in length) \$210

5. 2. Dental Diaries: Short Films/Podcasts (Up to 4 minutes, including branding) \$260

2. Dental Diaries: Short Films/Podcasts (Up to 4 minutes, including branding)

THEMES AND OBJECTIVES :

REELS THEME:

Behind the Scenes: The Dentist Story/ Life Beyond the Clinic

Capture the heart-warming tales of dentists beyond their clinics, showcasing their roles as loving parents, dedicated homemakers, or any other intriguing aspect of their lives behind the scenes.

Passion Projects: Exploring Dentistry through Unexpected

Eyes

Showcase your unique perspective on dentistry, whether as an artist, photographer, or any other hobbyist, and unveil the unseen beauty of oral care from unexpected angles.

SHORT FILM/PODCAST THEME:

Dentist's Day Off

When a dentist finally takes a break, chaos ensues as dental dilemmas follow them everywhere, turning their day off into a whirlwind of unexpected oral adventures.

Ethical Dilemmas in Dentistry

Explore the shades of morality in dentistry as characters confront ethical dilemmas with integrity, conscience, and consequence

Dental Dilemmas & Tunes

Your go-to podcast for hilarious tales from the dental world, sprinkled with catchy tunes and quirky anecdotes to keep you smiling!
